Dear Friend

I rejoice to have an opportunity of sending you a word of kindly greeting by your countryman & friend Mr. Frothingham with whom we have been much pleased to have been made acquainted.

We think much & anxiously of you & our prayers are for the modern Children of Israel.
- the Slaves of the Southern States -

may be found even among
my name & pass among
the Red Sea of blood. And
my wife is found! - I have, as
well as my, will form out
of this great conflict a nation
of a better people. For God's
hand will ever guide it for
good.

I am ashamed only to send

you a Cart of myself in return
for yours which I prize highly -
I wish all my American friends
would so remember me! - but
I have not one of my husband
to send you I have as no time
to ^{see} or as Mr F. knows to
inquire.

I am dear Friend

Yours ever

Mary Barrett
